

The Greenwich Country Day School

Secondary School Placement (2007-2009)

(Includes students transferring after 7th & 8th grades)

Secondary School Placement Program

Country Day's commitment to the highest academic standards and an extensive secondary school placement program prepare our students for success in the secondary schools and colleges they will attend after graduating.

A full-time Director of Placement guides families through the application process and works closely with students to insure that they find a school that matches their talents and needs.

In counseling individual students and their parents, Country Day is proud of an 80-year record of placing students in outstanding schools aligned with their interests and talents.
